The Vampire Diaries Season 3 torrent reviews Andrew, 02.04.2019 I still love this show. This season was such a pleasure. With each new season I still come away wanting more of this wonderful show. It is impossible to guess what each new episode will bring, but I absolutely love all of the characters and relationships especially between Elena and Damon. JOVI AL, 12.03.2019 This is really one of the best series ever. I really like this drama. I like it very much. I have to say that I like the actors like Ellen Thomas, Katherine Xinn, 02.03.2019 Very interesting and full of drama about Katherine, Elena and Damon,the love triangle between the two important characters.I love Elena and Damon together,they are a great couple.Too bad Damon left Elena once again.He should stay with her always.I like the way Damon was revealed as the cure for the cure.That was really great and exciting and he look more like a Damon than ever.I like Katherine with vampire life.I'm looking forward to next season and hoping Katherine will be alright because it's a sad situation to see her suffer from.Very good and I love this series.Not bad for a drama with only 3 seasons for now. Katherine is witty, sexy, interesting, smart, sexy and sweet. I love them together and hate him apart. I might go on and on, but I will leave you with this: Katherine turns every single day in her life into an episode of HGTV. Make it a good one. Zachary, 01.03.2019 I really love this series.
